## Happy Holidays from the AMA!

As the Holiday Season approaches, it is time for us to extend best wishes to family and friends. When we look back on the year, we see all that we have accomplished despite COVID. In this inaugural issue of the AMA's newsletter, we would like to take the time to congratulate the hard work of volunteers in making our programming a reality. It is through their work that that AMA can continue supporting Manitoba archives.

## Special Announcements

### Endowment Fund

The Association for Manitoba Archives Fund with Endow Manitoba/The Winnipeg Foundation will provide the AMA with a reliable, meaningful source of operating income today and in future years if we can continue to build capital through ongoing contributions. We are pleased to report the current market value of the fund has reached \$301,335, this a \$91,562 increase over last year at this time! The AMA is grateful for the financial contributions made by The Winnipeg Foundation, the province of Manitoba and from individual AMA members. ### Call for Volunteers

We are always looking for members to join our committees. Volunteering with the AMA is an excellent way to network with archivists, build skills, and shape the future of archives in Manitoba. If you are interested, please contact the Chair, or a Committee chair, at one of the email addresses listed on this page
